Notes The Exit onto Höf is on the right side directly after a village called Taxenbach. You will see a sign to Rauris at this exit. After this exit you simply follow the main street to Rauris and then further to Wörth and further to Bucheben. Directly after Wörth the street starts to rise. At the end of this rise you have to go to the left onto a small road (the intersection is beside a bus stop). Follow this road until there is only the option to go right or left. Take the right direction and you will end up where you should end up - Kalchkendl Alm!
