## Posters

### Submission Deadline: 12 August 2019, 23:59 UTC/GMT

The SIGGRAPH Asia 2019 Posters provides an interactive forum for innovative ideas that are not yet fully polished, high-impact practical contributions, and offers a behind-the-scenes view of new commercial and artistic work, as well as solutions that help solve challenging problems. Contributors are expected to exhibit graphic displays of incremental, preliminary, partial, and innovative insights that are important but not fully developed. We encourage submissions from animators, developers, educators, students, and researchers from academia and industry. Typical examples include:

- Geometry and Modelling
- Animation and Visual Effects
- Computer Vision and Image Understanding
- Image and Video Processing Applications
- Human-Computer Interaction
- Computer-Aided Design
- Information Visualization and Scientific Visualization
- Virtual Reality, Augmented Reality, and Mixed Reality
- Multimedia Applications
- Video Gaming
- Web Graphics and Mobile Graphics
- 3D Audio
- Creativity and Digital Art

Please read below for more details.
